

IPU Professional Academy Autumn Webinar Programme 2024

We are pleased to announce the launch of the IPU Professional Academy Autumn Webinar Programme 2024, which will start on **Monday 16 September**. You can view the programme information and book your webinars online on the IPU Professional Academy Learning Management System (LMS) at www.ipuacademy.ie.

All five topics in the IPU Professional Academy Autumn Webinar Programme were selected based on your feedback and each topic will be broadcast as a live webinar on two dates this autumn. The topics are:

1. Arthritis 2024
2. Care of the Older Person: Part Two
3. Drug Interactions 2024
4. Heart Failure 2024
5. Managing Acne in the Community Pharmacy

All webinars will start at 7.30pm sharp and, including a question-and-answer session, we aim to finish by 9.00pm.

Registration is now open for all webinars, please [click here](#) to login and register.
