

IPU Regional Meetings next week in Navan and Limerick

The IPU's series of regional meetings starts next week with meetings in Navan (19 October) and Limerick (20 October). The eight regional meetings are spread out over four weeks.

These meetings provide an opportunity to feedback your experience of community pharmacy and to hear about the work of the IPU team. It is also a chance to meet your regional colleagues – something we have not done face to face in three years.

The details of next week's meetings are as follows:

- **North East Annual Regional Meeting: Newgrange Hotel, Navan, Co Meath at 8pm on Wednesday 19 October**
- **Mid West Annual Regional Meeting: Castletroy Park Hotel, Dublin Rd, Limerick at 8pm on Thursday 20 October.**

The Agenda for each meeting is as follows:

- **30pm**– Registration/Tea & Coffee/Networking
- **00pm**– Order of Business & Apologies
- **15pm**– Members’ briefing on the work of IPU to support you our members, and how you can work locally to further pharmacy in your area.
- **45 pm**– Open forum to hear members views, questions and concerns
- **00pm**– Meeting closes

Further information, including the **full IPU Regional meeting schedule**, can be found **here**.

Don’t forget that if your local meeting doesn’t suit, you can come to any of the regional meetings.

Please do try to attend one of the meetings. The IPU is your representative body and your views count.
