

## IPU Social Media Update – Follow us

The IPU is active on all the main social media platforms and our followers are continuously growing. We post updates daily on the majority of the platforms. Follow us today to stay informed about the latest news and updates from the IPU including from the Department of Health, pharmaceutical events, press releases, courses and much more. Following us also presents us with the opportunity to repost your posts, where appropriate, and extends the reach regarding promoting all things pharmacy and pharmacy related.
