

Last Call - Limited Spots Remaining for Pharmacy Technicians Course

Do not delay, enrolment closing soon! We have limited spaces remaining for the Pharmacy Technicians course, and **enrolment will close soon**. Support your staff in progressing their pharmacy career and support you.

The Pharmacy Technicians Course is a **2-year internationally accredited** programme that allows the student to continue to **work in the pharmacy while studying**. All students will be assigned a dedicated Tutor Pharmacist and an Assessor to ensure they stay on track.

This course combines **self-study, practical work, and training sessions** over two years, providing a flexible way for your employees to gain the qualification.

Act fast - enrol today via the IPU website here or contact academy@ipu.ie for assistance. Do not wait until it is too late!

For any queries or questions regarding the IPU Professional Academy training courses, please call 01 406 1555 or email academy@ipu.ie
